## Welcome to Can Shed's Customer Service

<b>Cedar Rapids</b> 4121 16 <sup>th</sup> Ave SW	<b>Iowa City</b> 611 Hollywood Blvd	<b>Marion</b> 370 44 <sup>th</sup> Street	<b>Hiawatha</b> 1485 Hawkeye Dr.
---	--	--	-------------------------------------

*Hours: Monday – Friday 9:30am – 6:00pm, Saturday 8:00am – 4:00pm*

### Cans & Plastic bottles

- We offer and encourage using our bulk system using Can Shed Boxes and Liners.
- When using our bulk system there is no limit provided bags meet our guidelines.
- Clear bags only. We must be able to determine that the containers are deposit eligible and free of garbage.
- Containers must be clean and dry. (No garbage, cigarette butts, chew, bugs, straws, etc.)

**IOWA CODE 567-107.7(455C) BEVERAGE CONTAINERS MUST BE REASONABLY CLEAN.**

**Consumers shall take care to return containers in a reasonably clean and intact condition. In order to be redeemed, an empty beverage container shall be dry and free of foreign materials other than the dried residue of the beverage.**

- Size Matters - when containers are sorted by size and material it's easy to determine how many containers are in a bag. If containers are not properly sorted, you may receive the price of the largest container in the bag (i.e. 24oz bottles, properly sorted is \$7.20 in redemption value. When mixed with 2 liters, you will only receive the redemption value of the 2 liters, which is only \$2.00.)
- No flattened or non-deposit containers. (We will recycle, but no refund.) Please keep these separate from deposit containers.

**IOWA CODE 567-107.8(2) In order to be redeemed, BEVERAGE CONTAINERS MUST BE REASONABLY INTACT. For a refillable beverage container, the container must be able to hold liquid, able to be resealed, and in its original shape. A non-refillable glass container may be chipped, but it may not have the bottom broken out or the neck broken off. A non-refillable aluminum container may be dented or partially crushed, but may not be crushed flat. A returnable beverage container should be able to stand on its own base.**

**Prices for Can Shed bags are as follows:**

	ITEM	QTY	
<b>CANS</b>	8-12oz bag	240	\$12.00
	16-19 oz bag	180	\$9.00
	20 oz or larger bag	120	\$6.00
<b>PLASTIC</b>	12 oz bag	240	\$12.00
	16-24 oz bag	144	\$7.20
	1-1.25L bag	80	\$4.00
	1.33-2.5L bag	40	\$2.00

- For your convenience Can Shed now has Reverse Vending Machines at selected locations. Recycling your empty containers is as easy as:

1. **Insert your empty containers** into the chute at the front of the reverse vending machine.
2. When you're finished, **tap the button** at the front of the machine.
3. **Take the receipt** that the machine prints out (the receipt shows the value of your recycling refund, which can be redeemed at the register.)
4. Place any **rejected** items in the designated bins for recycling.

#### For Purchase - CASH Only:

- Can Box with Lid – \$6.00 + tax. (Extra lids are \$2.00 + tax.)
- Can Shed Liners - 50¢ each. Liners will be replaced at no charge, when full bags are sorted properly.
- Returns over \$100.00 will be paid by check and will be mailed within 7-10 business days.
- **Please tie your bags with a double square knot.** We don't like wasting bags; this allows us to reuse them in our warehouse.

### Glass

- For the safety of our employees **we do not accept glass in bags.** If you do not have the original cases, banana boxes will be provided for you to organize the glass.
- Glass needs to be stacked with bottles lying flat (please see picture below).
- Each box should hold 50 beer bottles, or 20 wine or liquor bottles.
- Due to limited spacing, we encourage our customers to use our Cedar Rapids or Marion locations for the return of large amounts of glass.

**We reserve the right to refuse service to anyone not following these guidelines.**

**BE SURE TO HANG ON TO YOUR BAGS UNTIL THEY ARE CHECKED IN!**
